

What you need to know to Start Earning College Credit

Where do I start?

1. Complete an aligned career major at Meridian Technology center. All programs at Meridian Technology Center qualify for the Associate in Applied Science Business Management-Entrepreneurship Option degree.
2. Apply online at www.noc.edu/application.
3. Upon completion of career major, take a Meridian Transcript and corresponding form to Northern Oklahoma College.
4. Meet with an enrollment advisor to create a NOC degree plan, identify the General Education needed to complete the degree. Ask for the A.A.S. in Business Management-Entrepreneurship.
5. After completing 15 credit hours of NOC general education courses, 12 technical hours will be transcribed on a NOC transcript at no charge. Technical course grades will be transcribed as either pass or fail.

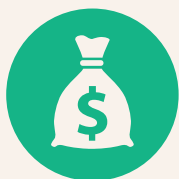

It Saves Time
