Definitions

Direct costs are items that will appear on your Meridian Invoice, such as tuition and fees.

Indirect costs will not appear on your invoice but are **estimated** costs associated with going to college and should be included in your personal budget. Most of these costs would be incurred whether you attend school or not. These include items like books, transportation, housing and personal expenses.

Dependent students are under 24 years old, are not married and have no dependents. Still required to list parents on FAFSA.

Independent students are any students who do not fall into the dependent student definition.

*all tuition costs provided are for the full career major. If you enroll as half-time, you may not incur the full tuition amount during the 24-25 school year.

*indirect costs are based on the Consumer Price Index as of December 2023. Source: US Department of Labor.
