Cosmetology Additional Application Questions

Please answer in complete sentences and return with your application.

1. Cosmetology often involves working with a variety of hair textures, products and scents, including washing and styling dirty hair. How do you feel about handling these situations, and are there any specific sensory experiences you find challenging in this field?

2. Can you share your perspective on constructive criticism? How do you typically respond when receiving feedback on your work?

3. Can you share an example of a time when you successfully connected with someone new?

4. In a classroom setting, collaboration with classmates and providing or receiving physical assistance while working on learning objectives may be necessary. How do you approach these types of interactions, and can you share an example of a time when you worked effectively with a partner?

5. What aspects of cosmetology are you most passionate about? How do you see your career evolving in this field over the next few years?
